30th April—2nd May, 2004
(Commencing Friday 30th April 5.00 pm registration & conference dinner, Sunday 2nd May 4.00 pm close)

Conference venue: Ranelagh House
Illawara Highway, Robertson NSW
www.ranelagh-house.com.au

The organising committee has great pleasure inviting you to the first of a regular series of annual workshops dedicated to topics in Environmental Geochemistry and Geochronology. The workshops are designed to bring together students and scholars from the Australasian region to present cutting edge research and to stimulate discussions for new research directions and collaborations. This first workshop will focus on Quaternary chronologies. We expect that the 2005 workshop will focus on isotope analysis and elemental tracing.

Abstracts and Registration fee ($35.00) are due by 31st March 2004
Additional information can be obtained from the conference secretary, Josephine Lo Presti, on (02) 612 54764 or email: jo.lopresti@anu.edu.au

Organisers
R Grün, A Chivas, M McCulloch and H eijnis
