BALIBO to celebrate the independence of East Timor

EAST TIMOR, 1975: FIVE JOURNALISTS ARE MISSING. ONE MAN SEARCHES FOR THE TRUTH. ONE MAN FIGHTS FOR JUSTICE.

East Timor, 1975. As Indonesia prepares to invade the tiny nation of East Timor, five Australian-based journalists go missing.

Four weeks later, veteran foreign correspondent Roger East is lured to East Timor by the young and charismatic José Ramos-Horta to tell the story of his country and investigate the fate of the missing men. As East's determination to uncover the truth grows, the threat of invasion intensifies and an unlikely friendship develops between the last foreign correspondent in East Timor and the man who will become President. **BALIBO** is a political thriller that tells the true story of crimes that have been covered up for over thirty years.
