## From the President

Hi psych people,

Here is the first newsletter for the re-born Psych Society. We have a BIG semester planned, and are really keen to get everyone involved in our activities - be it professional or social.

The first event you should put on your calendar is the "Meet a psychologist night" on Thursday the 12<sup>th</sup> August, a great chance to find out what psychologists do in the big wide world.

Secondly, we will soon be holding a TRIVIA NIGHT, hopefully combining forces with the ANU Engineering Society. This will be held sometime soon, will keep you posted.

As for this newsletter, it'll be released a few times each semester, and will be used to let you know what's happening in the near future and who to contact if you have any questions or ideas.....

Finally, check out the ads from our sponsors, and support them if you get a chance. If you work for a company that can offer a discount/provide support, don't be afraid to ask them and let us know!

## Website Update!!

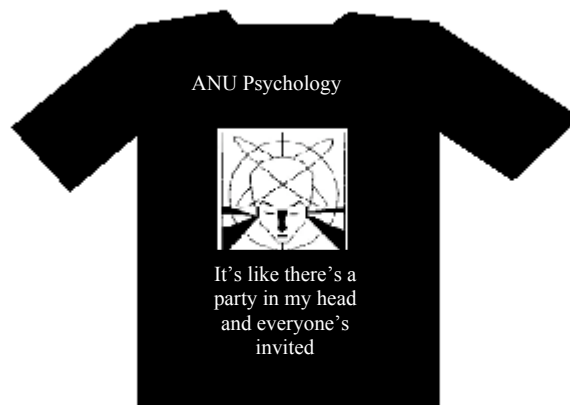

The Psychology Society Website -

[http://clubs.anu.edu.au/clubs/psychology\\_society/](http://clubs.anu.edu.au/clubs/psychology_society/)

is being redeveloped as you read this. It will act as an excellent information point so you can know what is going on in your society. In the future you should be able to download the latest copy of "Freudian Slip" from the website, as well as membership forms if you have any friends who want to join up. In addition, we will post photos of our events and have already compiled some useful links relating (to some degree) to psychology. If you have any ideas or feedback on the website, contact the fantastic Chris Prosser at [caprosser@hotmail.com](mailto:caprosser@hotmail.com) (thanks Chris!!)

## T-Shirts

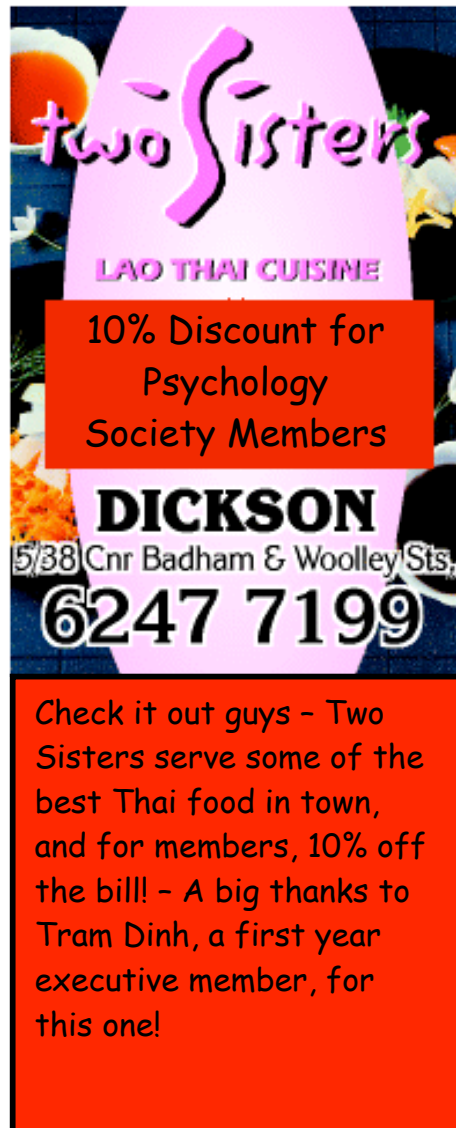

Keep your eyes peeled for the first prototypes of the ANU Psychology Society T-shirt. These will be largely the same as the ones produced before the society went into remission in 2002. Currently we are considering two slogans - 1. ANU Psychology; It's like there's a party in my head and everyone's invited, and 2. ANU Psychology; F#%king with your head since 1996! Let me know what you think, or indeed if you have any better ideas. At the moment we are thinking black and white. In the meantime, here's a quick idea of what they might look like (yes I failed art class ☺- Jason).

## Helping Postgrads

A number of members have voiced interest in volunteering their time and energy to assist a postgrad student in exchange for fame and fortune. Unfortunately we have no fame or fortune to speak of, but if educational experience means just as much to you, then let us know, and we will try and get you in touch with a postgrad student who is seeking a minion☺. Similarly, if you are a postgrad student and like the notion of having an able-minded\* assistant then let us know. Please email [jasonvickery@telstra.com](mailto:jasonvickery@telstra.com) if you are interested.

\* Able-mindedness not guaranteed.

## Upcoming Events

Stick this in your long-term memory - recitation helps ☺.

### **Meet a Psychologist Night – Thursday 12 August**

This is a fantastic opportunity to find out what life is like in the real world for Psychology graduates, free for all society members. We will be hosting 4 ANU Psychology Graduates, who now work in several different areas of psychology. Refreshments will be served on the night. You will get plenty of opportunity to ask questions and schmooze with interesting people. This is the first "professional development" event we have attempted - so come along and learn something about your future profession!! Please direct all questions to our events member, Danielle Clack at [clackavitch@hotmail.com](mailto:clackavitch@hotmail.com)

Date - Thursday 12<sup>th</sup> August  
Time - 7 PM  
Venue - Psychology G06  
Refreshments provided

### Freudian Slip of the Issue

Principal Seymour Skinner, addressing the new 1<sup>st</sup> grade at Springfield Elementary. (as seen on TEN, Monday August 2)

"Hello children, I'm principal sinner.... I mean Principal Skinner! Oh that's it, I've lost them forever...."

## Upcoming Events (cont'd)

### Trivia Night –

We are going to hold a trivia competition in the near future, hopefully with the good people from the Engineering Society, so stay tuned. We all know that whoever wins will obviously have superior intellect, greater facial symmetry, be somewhat more successful in life and so on. We want you to come along, have a drink and a good time as we have a bit of fun with the traditional trivia night. There will be prizes up for grabs too! More details as we work them out. Questions to [jasonvickery@telstra.com](mailto:jasonvickery@telstra.com)

### Goulburn Trip –

Sometime after the trivia night we will check interest in a day trip to Goulburn, checking out the Gaol and talking to reformed inmates and psychiatrists who aid in this process. Should be fun!!

### Other Ideas –

If you have any great ideas for an event, let us know!! Email me at [jasonvickery@telstra.com](mailto:jasonvickery@telstra.com)
