

Australian Government

Department of the Environment and Heritage

Parks Australia North is updating its list of suitably qualified people who can provide environmental assessment services, design and undertake monitoring programmes and analyse data for Uluru-Kata Tjuta National Park and Kakadu National Park on an as needs basis. Expressions of interest are invited from people who can provide such expertise in the following areas: flora, fauna, invertebrates, hydrology, soils and archaeology.

If you wish to submit an expression of interest, please provide the following details:

- Personnel who would provide this service, including their hourly and daily rates.
- Their skills, qualifications and experience.
- Any other relevant fees or charges.

Please post or email the above to Mim Jambrecina, Acting Manager Natural and Cultural Resources, Uluru-Kata Tjuta National Park, PO Box 119 Yulara NT 0872, Tel: 08 8956 1105, mirjana.jambrecina@deh.gov.au, by COB 31st March 2006.
