Call for Papers

Volume III, *Revista História da Resistência* (Journal of Resistance History), Comité Orientador 25.

Revista História da Resistência is a multidisciplinary journal concerned with political, social, cultural and philosophical history, and memory studies. Therefore, CO25 invites papers (essay) that contribute knowledge to develop and enrich the historical knowledge, ideas, debates and its humanistic significance for societal progress and liberation.

Comite Orientador 25 is soliciting papers and book reviews for history of East Timorese national struggle and resistance during the 24 years of struggle. We welcome paper on broad range in both chronological and interpretative term of historical issues.

Papers should be between 1000 to 3000 (including bibliography and footnotes). Book reviews should be between 700 to 1000. Please [click on this](#) for submission guideline.

Open for submission from June 1 to August 30, 2020. Submission should be emailed to nando@comiteorientador25.org and ecorreia@comiteorientador25.org.

If you have any technical question about this journal, please contact nando@comiteorientador25.org.

We look forward to receiving from you.
